You were great again. This time in Wonder Town. and before in Mattress. Your father is making a real showman out of you. The great thing in working with you in show is that you are so easy to work with. So good natured and sweet. One may be that was because you were so tired. You do so much. Good luck next year with the V. Show and the M. M. M. Show and the D. O. Show. I'll never forget the great gal who is such a good actress. Keep smiling! Lots of Luck!

Dear Karen,

Great granmies, this year is over. I'll never forget it. All the stuff we did. The float, Tri-M show, operetta and how can we forget - "I'm gonna vote for Karen." I don't see how you could have lost. All the parties and everything. Oh - we have to make do-nuts again. I'll miss all you people next year - don't know what I'll do without this crazy crowd. Good luck on the float next year, I know you'll do a grand job. So help me I'll be back to see it. I just noticed "West Side Story" and I could still see it again!! I can't wait until next weekend. What a roll! I'll always remember Os. Oh that lady kills me - thank heaven I don't have to put up with her anymore. I couldn't take it. Remember that night we went to see "Dial M for Murder", and all that pizza after. GAD!! All those Madrigals concerts and WB3M. What memories. I see Karen, Now you have to keep everything going. I'll miss you. I'll write too if you will. I'm a hell of a writer though.

Love ya much,
Sunny

"Perspective"

Hi Karen,
What can I say?

Karen, you're a real showman, to say the least. I'll always remember you as "Skinnified" in "Once Upon a Mattress". You were just perfect. That's one show I'd like to do again. As Ruth in "Wonderful Town", you made another hit. You're really going to go places. I keep thinking that you're a senior this year & that you're graduating this year. Visit me often at H.V. - any time at all. Never forget "Lullaby of Birdland" and that famous line - (the only one we knew). I'm determined that Brush Hill is going to be great this year - with you and Dan directing "Birdie". I hope a lot of the old gang come back. We've had so much fun. I wouldn't give up the past 2 summers for anything.

1963 EL DIABLO

P.S. Don't forget all our "planned" programs Hinsdale, Illinois for Mrs. Olsen & The White House Farm. Are you going to study fortune-telling in college?

Well, Karen, I want to wish you the best of everything next year & later. You sure deserve it. Go a real sweet "sister."

PERSPECTIVE

ALMOST AS BAD AS INTERNAL

The purpose of a yearbook is to preserve in pictures and writing the events of one year. We, the El Diablo staff, think that we have recorded the happenings of this year in a vivid and unique way, by sketching a picture in perspective of the school and school life during the year 1962-1963. This picture, however, is only an outline of the events which took place during the year. It is for you, the students and faculty of HTHS, to finish the picture by adding your own colorful details.

Karen -
 You sure were great in Operetta! You
 were terrific as a Variety show
 chairman! You were unsurpassed
 as a S.C. Candidate. Good luck
 next year in S.C. Let's have the
 greatest Variety Show ever (with
 our act of course). Gym was a
 riot this year. He sure lucky
 you stopped French as exchange.
 Did. This year has been awful.
 (You next year!)

A photograph of a large, multi-story brick building with many windows, featuring a landscaped courtyard with a pond, a waterfall, and various trees and shrubs. The building is constructed of dark brick and has numerous rectangular windows, some of which are multi-paned. A tall, slender evergreen tree stands prominently in the center of the courtyard. To the left, a small pond is visible, with a small waterfall cascading into it from a raised garden bed. The garden bed is filled with various shrubs and flowering plants, and is bordered by a low stone wall. The overall scene is a well-maintained campus courtyard.

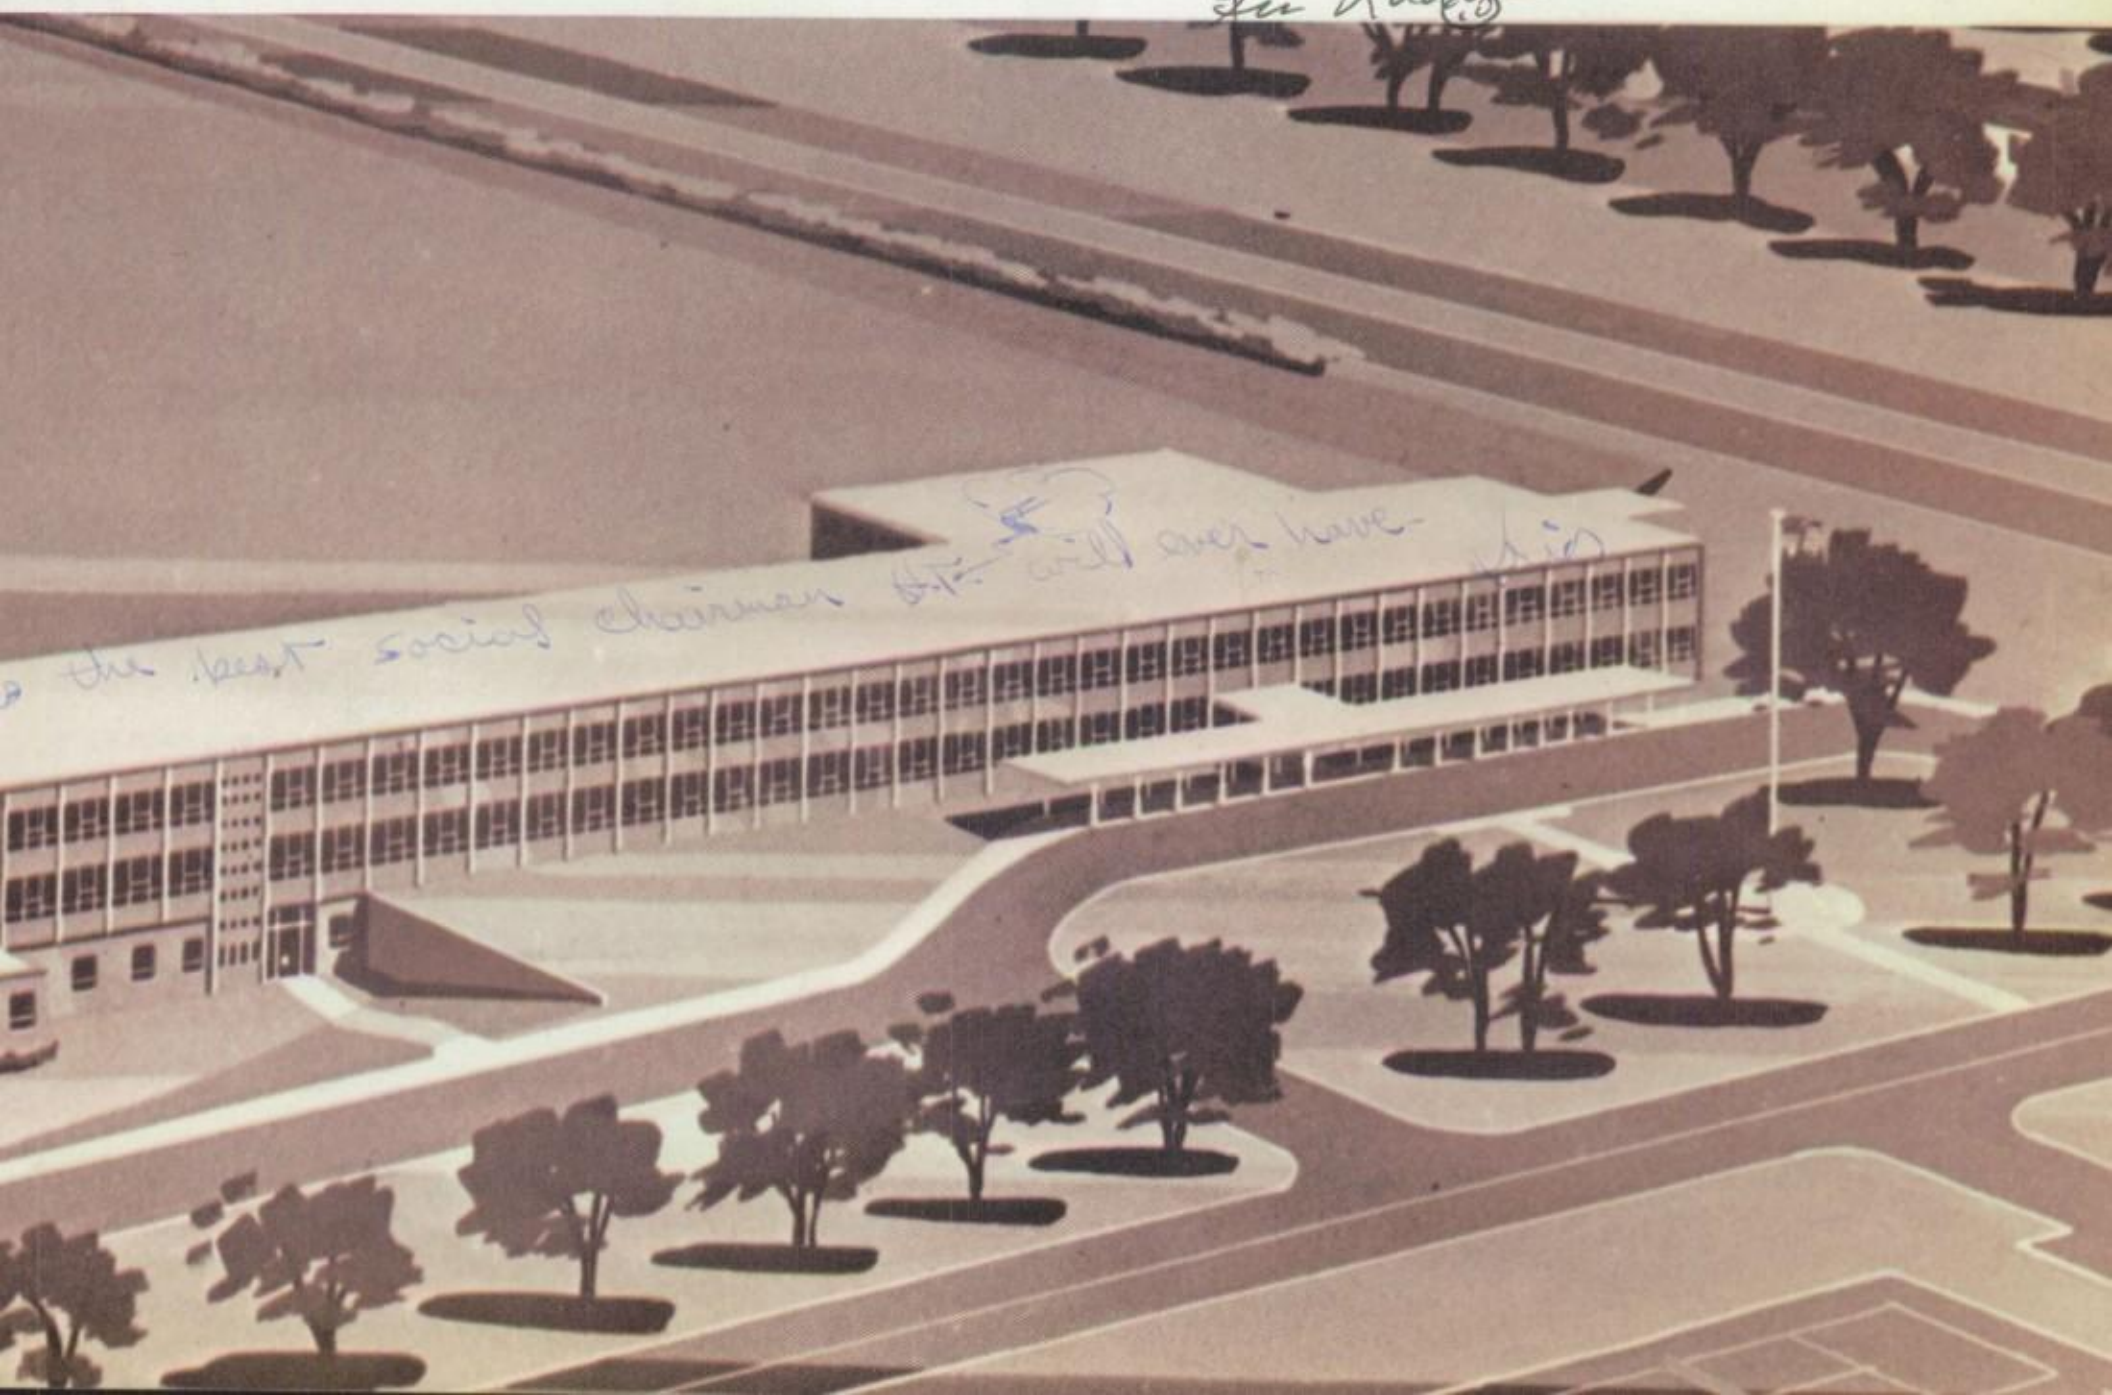

In the background are the activities, the clubs after school, the sports, all the non-academic activities which help to make well-rounded students. The picture of the football squad brings to mind the exciting LaGrange game and more important, the STATE CHAMPIONSHIP. More detail is added with the memories attached to the NE-NW Student Council Convention; the Homecoming parade, game, and the dance "Moon River"; the GR formal "Sayonara"; the pep rallies after school, and just hundreds of club meetings. Many memories are connected with activities, so that each student's final picture should contain many background details.

When each student has filled in the colorful details in the foreground and background of his own picture, he should have a vivid and interesting memory of the year 1962-1963 at Hinsdale High.

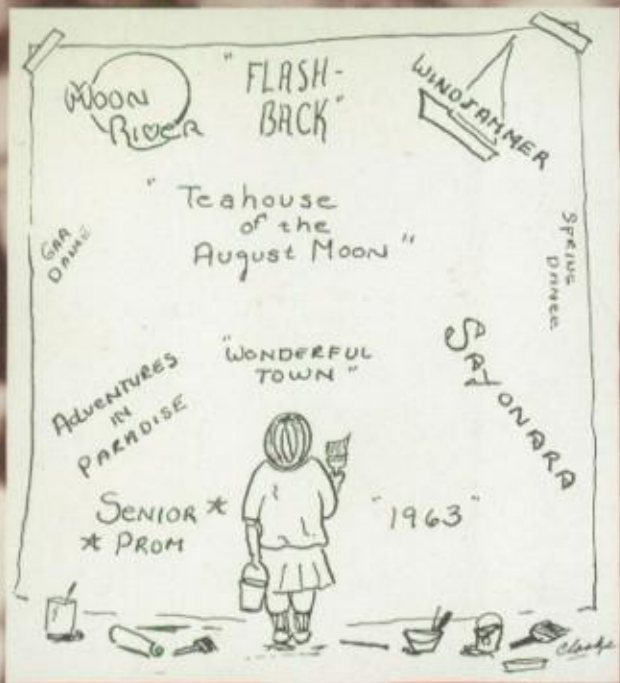

Karen - You are really tremendous. I'm going to hold you to all your promises. I hope you weren't kiddin' about the prom. Good luck to the best actress I've ever seen. You're really the greatest ever. Stay as sweet as you are kind.
 Love
 Sue Radtke

Homecoming's foggy weather, which has almost become a Hinsdale tradition, didn't dampen the spirits of HT's students one bit. Even when the parade took a wrong turn in town and had to climb the long Washington Street hill, the spirit of the students couldn't have been higher. The award winning floats, which were judged on such things as originality were Chorus, first place; Guard, second place; and Business Club, third place. The afternoon was highlighted by the presentation of the Queen and her court, the parade of the winning floats around the field, and the football victory over York: Varsity Club did an excellent job on the decorations for the dance, "Moon River," which took place that evening. The high point of the evening was the crowning of the Homecoming Queen, Kathy Devos.

A.P. Kahan,
This was the only place I could find to write.
It's really been fun in spite of Dear Denis. You were
great in the Oper. & your U.S. act was great. You'll
make a great Social Chairman next year. Have fun
this summer and be good (if both of these are possible
at once)
Best of luck, Susan
gym was just peachy too!

Naren—
 It's been a blast in English with Tom Terrell.
 The plays with English were really great. I'm glad
 you Variety Showed—was something, and we did it
 your party was great. Good luck always,

SENIOR CLASS OFFICERS *FRONT*, from left: John Stewart, Paul Wicklund, Linda Maher, Jerry Snyder. *BACK*: Dave Wrisley, Barbara Green, Tom Wilson.

Senior Class Profile

The officers of the Class of '63 were Jerry Snyder, president; Paul Wicklund, vice president; Barb Green, secretary; Dave Wrisley, treasurer; Linda Maher and Tom Wilson, social chairmen; and John Stewart, member-at-large.

The memories of a wonderful senior year will include the class float, "Does Your Mother Come From Ireland?"; the Senior Boys' float, the first to be in the parade in many years; the Senior Class Square Dance with the NEW Senior Girls act; the Prom; Class Day; and most important, Graduation.

Our class also has received many honors to be proud of such as Scott Baker's trip to Europe under the National Association of Student Councils and his being President

of the Illinois Association of Student Councils. Other honors include the success of the Foreign Student program under the leadership of Paula Gibson with the foreign student, Jean Michel Gaussot from France and a very successful NE-NW Student Council Convention held at Hinsdale this year with Linda Erf as secretary. We can be very proud of our athletic teams and especially the football team for an undefeated season and bringing Hinsdale its first State Championship in football.

Our class has many accomplishments of which it can be very proud, but more important the class members will have many wonderful memories of their senior year at HT.

National Merit Scholarship Semi-Finalists:

FRONT ROW from left: L. Clarke, P. Angelo, M. Wesselman, P. Ware. *ROW 2*: M. Connell, J. Wetlaufer, D. Uggla, G. Simundza.

The members of the Class of 1963 took the National Merit Scholarship Test in March of 1962. After the scores were computed, the scores of all those who took the test were compared and 11,000 or two-thirds of one per cent of all high school seniors were chosen as Semi-Finalists. Hinsdale is proud to have eight Semi-Finalists. They are Percy Angelo, Laurel Clarke, Mike Connell, Gary Simundza, David Uggla, Priscilla Ware, Mary Wesselman, and Jerry Wetlaufer.

In order to become a Finalist, the Semi-Finalists must take the Scholastic Aptitude Test in December, furnish financial information, and fill out an information form. If the SAT and the NMSQT seem to agree on the ability of the Semi-Finalist, he becomes a Finalist. Only ten per cent of the Finalists receive National Merit Scholarships. The awarding of the scholarships is based on ability and financial need.

Bonnie Brown
(have a riot
this summer)

Laram -

it seems impossible that I have known you for a whole year. - but that one in Miss Salis' class doesn't count, because I didn't know the real you! (who does?) well, here we are, practically seniors and we have so much to remember - Homecoming, Judy Smith, your party in November (that got Tim & me together), Wizard of Oz, Christmas morning at your house, caroling, tobagganing in Tom's shoes, Ji-M Show (duck party), campaigning for social chairman (Clam Clam), Wonderful Town (you tough guy and all the rest of the crew, He also have to remember J.R. (Riverview anyone?) and Junior Girls (at least you & I had fun). Then there was Riverview - we have to go at least 5 times more this summer, and the Sunday - almost went to the beach with you and Sam. And there was the prom, more than anything I wish you could have been there. Most of all though, I want to thank you for being such a good friend - if it hadn't been for you and Dave I probably never would have gotten to know the kids in Brush Hill. I really hope you and I can have as much fun next year as we did this last year - Thanks for making this year so much fun -

Norm

Tell Karen Baby - Do you realize that it has
be a little over a year since we began our
escapades together, DO YOU REALIZE! When I think
of all the things we have been through
together I really can't believe it. It all
started with "Old Red Mill" that is one
adventure I will ALWAYS, ALWAYS remember
"Old New York" will always remain OUR song
then there was Rocky Glen (long live K.O.)
Dan's chorus party, and of course Brush
Hill, "Fismet" & those obscure pink net
knags! "Mattress" & "Jinnied" & "Hit playing
the bird" "Guys & Dolls" & the prop comm
ittee & "Rikki" & the Girls & never forget
"izard of Oz" you make a divine witch!
Mombi, Bulhonia & Galinda & Bats wings
and recipes and Cauldrons and cracked
stools & Yvonne (WHAT A BABE, god old mother
and her plectets!) Next is Homecoming - less
we forget, Tri-M show and Choreography
etc. and Norman & G.R. what a sweetie
May I be of some service to you gentlemen
I'll never forget. Then there was London
ful town! Oh yes grand job, lovely party
do ask me again. And last but not least
the prom. I wish you could have been there
I had such a great time! Tell Bobbsey
#1 with 1/3 of Yvonne's sweater, I think
that some day we must start our own
KNIT shop (I wish my pen worked!
Well, we still have this summer
to create more HISTORICAL events.

Pizza burgers and Nicks little

shorts and Kurt, Janet, Dan, Rap-
hazel, Ginger, Twinky, Jerry and
the whole gang. I would need
